To Whom It May Concern:

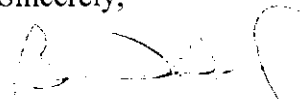

RE: Critical Information Resources, Inc.

Jeff Barker, as sole proprietor of Critical Information Resources has been our process server since February of 2010. He has shown nothing but professionalism in the handling of often complex situations.

Further, Mr. Barker works as our private investigator. He is intuitive and diligent - often working harder than necessary to guarantee perfection.

This Firm is privileged to be associated with Critical Information Resources and we hope that it is an arrangement that will continue throughout our mutual careers.

Sincerely,

Benjamin G. DeBerg
